

Vanderbilt/Opus Emissions Testing Lot 75-A

BLUE arrows show traffic flow.
ORANGE squares indicate signage.
STAR is where testing will be done.

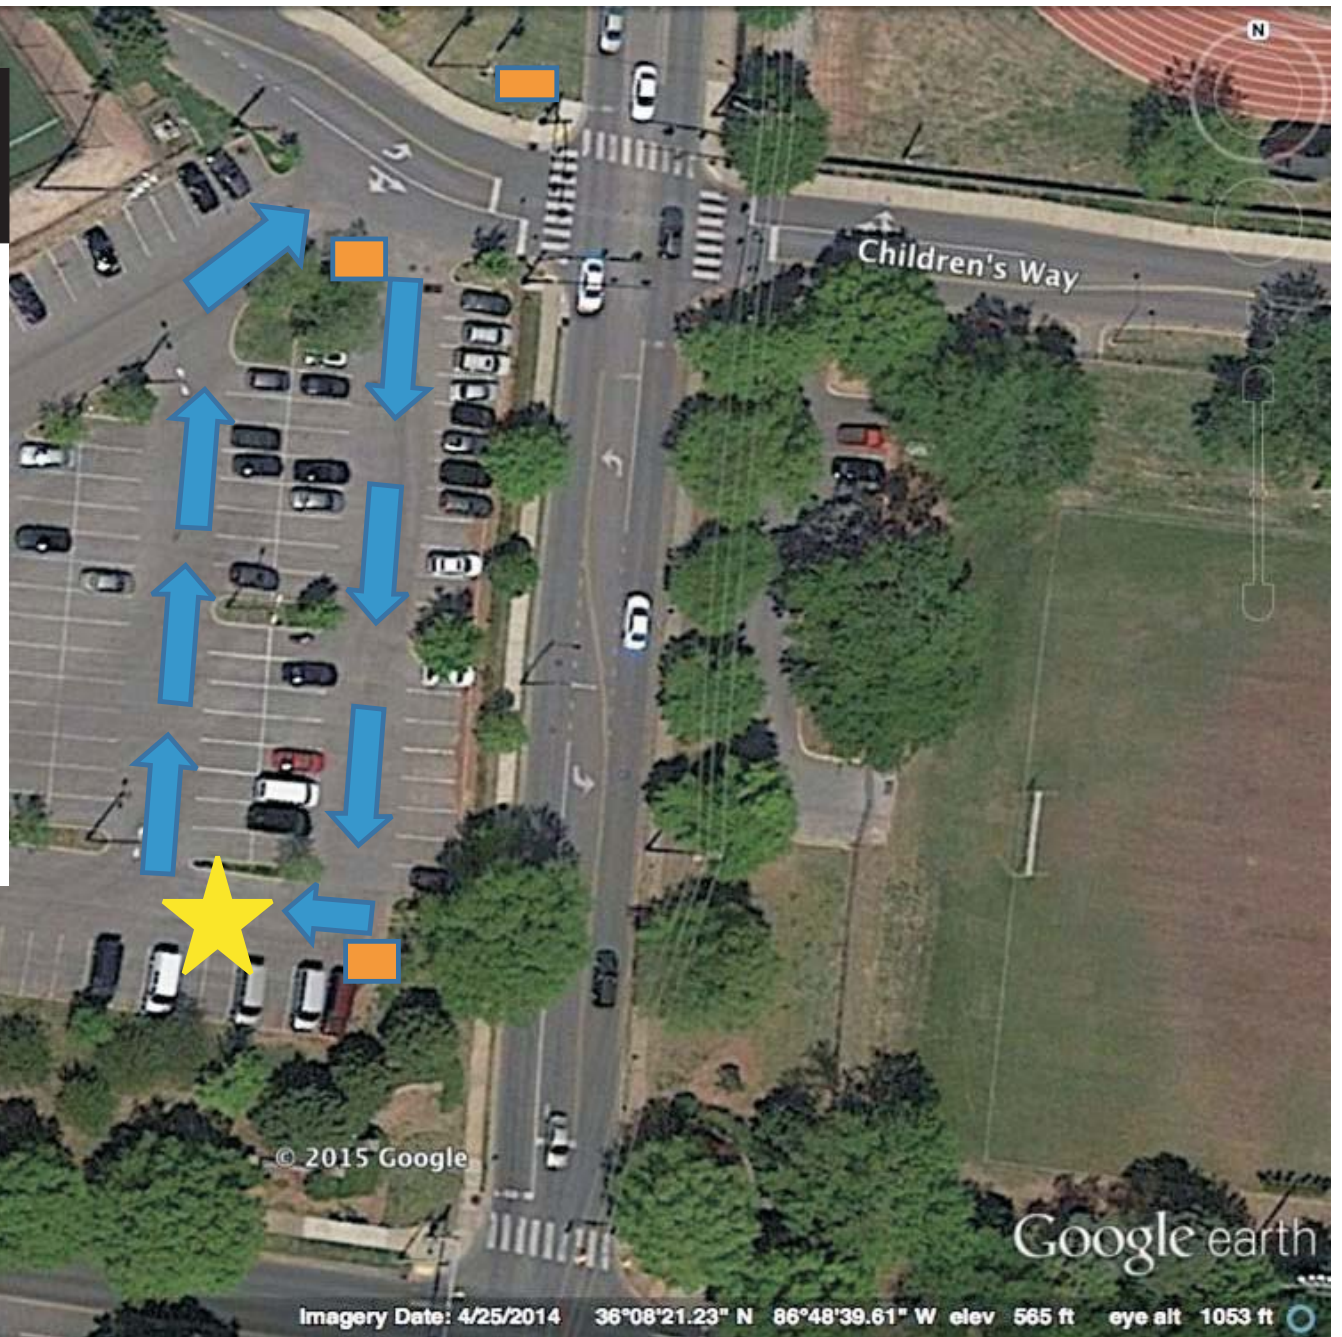

NOTE:

VU & VUMC vehicles only can be tested.

Testing will normally be done Monday mornings from 9:00 AM to Noon.

Exceptions will be when a holiday falls on Monday, or when severe weather is expected--no testing will be done then.

Opus coupons are the only valid way to pay for testing at this location.

Testing will be at the back of Lot 75-A, off Children's Way, just west of Natchez Trace.
